

Welcome to Families Feeding Friends Program Fall 2018

Bread For Life's Families Feeding Friends initiative is a new program, intending to help serve those in the community who are in need while bringing local families closer together. The program will be open to 12-15 families to participate in organized activities throughout year. These activities will be held on Sunday afternoon.

Families Feeding Friends program is excited to offer these opportunities to encourage community involvement while increasing quality time spent together as a family.
