

Grateful

At Bread for Life, we are grateful for so much! Here are just a few of the things that we are grateful for.

- We are grateful for our volunteers that deliver 470 lunches each week.
- We are grateful for being able to stay open during the pandemic to support the needs of our community.
- We are grateful for our 10-week summer lunch program for children where we were able to serve 300 lunches each week.
- We are grateful for all of you because your support has helped us help our community.

On the next few pages, you will find a tree outline and leaves. On each leaf, write something you are grateful for, then color the leaves, glue them on your tree, and show it off at your Thanksgiving dinner. What are you grateful for?
