

So no one goes hungry.

Families Feeding Friends: **May 2022**

This month, our **Families Feeding Friends** will be making sweet treats for our dine-in and homebound clients!

Families will make lollipop flowers for our clients. These fun Spring-treats are sure to bring smiles to the faces of everyone as they decorate the tables of our dine-in clients, and are delivered to clients' homes.

This event is an at-home project. Once you are registered, directions for completing the project will be e-mailed to you.

Lollipop flowers can be dropped off at Bread for Life during normal business hours from May 17th-24th.

To register, [click here](#) or visit our website at www.southingtonbreadforlife.org
